### The city where I live (A2)

My name is Clark, and I will tell you about my city.

I live in an apartment. In my city, there is a post office where people mail letters. On Monday, I go to work. I work at the post office. Everyone shops for food at the grocery store. They also eat at the restaurant. The restaurant serves pizza and ice cream.

My friends and I go to the park. We like to play soccer at the park. On Fridays, we go to the cinema to see a movie. Children don't go to school on the weekend. Each day, people go to the hospital when they are sick. The doctors and nurses take care of them. The police keep everyone safe. I am happy to live in my city.

## A great summer vacation (A2)

I just returned from the greatest summer vacation! It was so fantastic, I never wanted it to end. I spent eight days in Paris, France. My best friends, Henry and Steve, went with me. We had a beautiful hotel room in the Latin Quarter, and it wasn't even expensive. We had a balcony with a wonderful view.

We visited many famous tourist places. My favorite was the Louvre, a well-known museum. I was always interested in art, so that was a special treat for me. The museum is so huge, you could spend weeks there. Henry got tired walking around the museum and said "Enough! I need to take a break and rest."

We took lots of breaks and sat in cafes along the river Seine. The French food we ate was delicious. The wines were tasty, too. Steve's favorite part of the vacation was the hotel breakfast. He said he would be happy if he could eat croissants like those forever. We had so much fun that we're already talking about our next vacation!

## Dinner preparation (A2)

Montie's mother was coming to dinner, so he decided to get out the beautiful dishes she gave him. He looked forward to impressing his mother. He remembered how great he felt when she gave him the dishes. First, he got out his best silverware, cups and plates.

He carefully placed the plates on the table. Then, he laid a cloth napkin next to each plate. On the left side of the plate, he placed a knife making sure that its blade was facing toward the plate. On the right side, Montie placed the fork and spoon. After filling the glasses with ice, he put water in each glass. He placed white flowers in a vase in the middle of the table. They had a beautiful aroma.

As Montie stood back to admire his work, the doorbell rang. Montie had finished just in time because his mother had arrived.
